Recovery Search & Rescue

RRP:	£24.99
Street date:	Late September
Format:	PC CD-ROM

As a new recruit to Rescue Team One, you'll need to use your expert tracking skills to locate a variety of important objects and missing persons who have stumbled into the harsh dangers of your national park.

RECOVERY

Search & Rescue Simulation

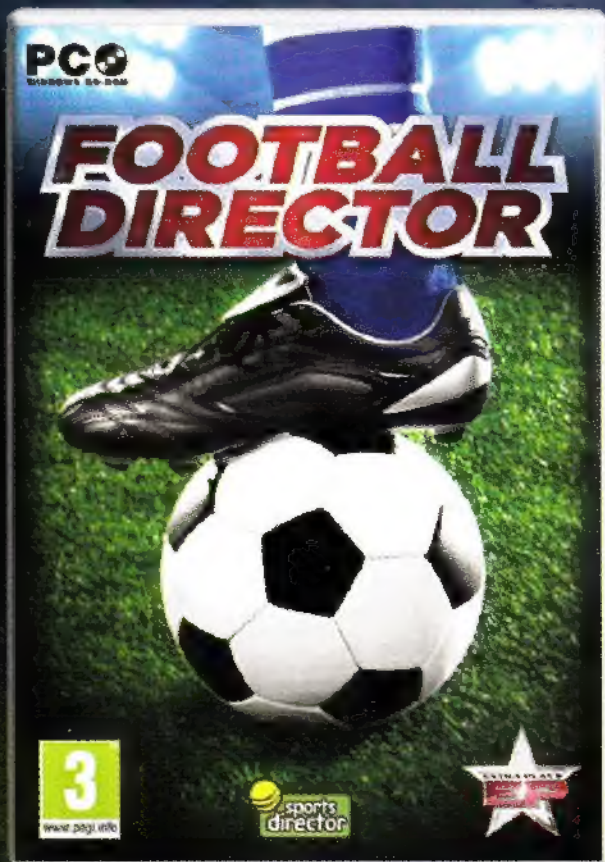

Whether you're following the trail of a journalist looking for the thrill of adventure or locating some misplaced pharmaceuticals to save someone's life, your skills are paramount for the safety of your visitors. Set across a lush forestland, you'll need to be cautious when coming across some of nature's most dangerous obstacles including tar pits and deep chasms.

Features

- A massive map full of trees, natural dangers and man-made structures
- Find clues to help track important objects and missing persons
- Use the S.A.R. bike to travel across the vast map
- Make up your own missions with the in-built mission editor
- Track during the day and night
- Radio for HQ support if you're struggling to find items
- Evacuate injured persons by calling in the S.A.R. helicopter
- 40 Missions

FOOTBALL DIRECTOR

Choose any of over 200 clubs from leagues across England and Europe and get ready to take your team to league triumph and cup glory. Buy and sell players, hire and fire staff, build and train your squad, then call the shots on match day.

Football Director

RRP:	£9.99
Street date:	OUT NOW

- ⚙ Extensive database of English and European divisions, clubs and realistic players
- ⚙ Train your team at squad and individual level
- ⚙ All the latest vital player statistics for the 2013/2014 season
- ⚙ Multiple cup competitions

- ⚙ Edit mode to customise club and player names
- ⚙ Real-time staff messages: Get information, support and tips from your assistant manager, coach and other club staff
- ⚙ Six Save Game slots

RESCUE 2013

Rescue 2013	
RRP:	£24.99
Street date:	OUT NOW
Format:	PC DVD-ROM

Do you have nerves of steel and a calm head in times of danger? Then you can join one of the most respected careers in the world in Rescue 2013 Everyday Heroes, the first fire fighting simulation for PC to include authentic British fire engines and ambulances as well as their continental counterparts.

With a mixture of management and action roles, you'll need to equip your team with the best tools and equipment for the job, be that sufficient water to put the fires out or the right type of equipment to use. You'll also need to navigate your team through burning buildings safely while removing any injured civilians from danger.

FEATURES

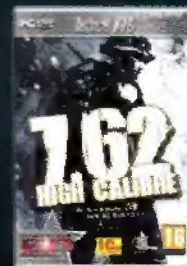

- Includes authentic British and Continental fire engines and ambulances
- Exciting challenges set during day and night
- A variety of different British vehicles to use while responding to the various emergencies
- Full customisation of your fleet
- Place objects in your HQ so that staff can learn new skills
- An action-packed Free Play mode
- Mod friendly (A mod workshop via patch will be available after the official release)

IL-2 STURMOVIK

Arguably the best World War II combat flight simulator, this **EXTRA PLAY** addition includes the original game plus the brilliant add-ons and sequels: **IL-2 Sturmovik: 1946**, the **Ace Expansion Pack**, **Forgotten Battles** and **Pacific Fighters**.

With IL-2 Sturmovik, you will soar through deadly, realistic 3D landscapes, you'll engage in numerous action-packed single play missions involving air-to-air, air-to-ground, search and destroy and escort missions. 1946 expands your game bringing 36 new planes, four gigantic new maps, 100 new ground objects and nearly 200 campaign missions.

Forgotten Battles sequels the original game but moves the action to the Soviet-Finnish Continuation War of 1941-1944. The Ace Expansion Pack heats up the action even further as Pacific Fighters moves the setting from the Eastern front to the fierce combat of the Pacific theatre. Here for the first time a large variety of British aircraft are introduced along with the U.S. and Australia.

- Target enemy ships, vehicles, airfields and a host of AI-controlled aircraft
- Re-enact some of the most famous air battles in places like Pearl Harbor, Guadalcanal and Iwo Jima.
- Features numerous action-packed single play missions
- Engage in air-to-air, air-to-ground, search and destroy and escort missions

IL-2 Sturmovik

RRP:	£9.99

POLICE FORCE 2

Police Force 2	
RRP:	£24.99
Street date:	OUT NOW
Format:	PC DVD-ROM

Experience the spectacular police simulation game from the creators of Police Force in its brilliant sequel, Police Force 2. Boasting a dozen new features including two new diverse districts and the ability to manage the skills of your officers, you must patrol the city to protect the citizens and fight crime.

A new addition to Police Force 2 includes a fully working police station. You can visit your office to advance your career but you'll also need to work with colleagues in the forensics lab to analyse fingerprints and other materials.

FEATURES

- Question witnesses and examine crime scenes
- Four vehicles including two patrol cars, vans and an unmarked car
- Use a large selection of modern police equipment including radios, PDAs, handcuffs and firearms
- A police station to explore which includes a forensics lab to analyse fingerprints and other materials
- A free play option that includes dynamically generated emergency calls

EURO TRUCK SIMULATOR 2

Get behind the wheel of a heavy goods vehicle and deliver cargo to 60 European cities in what's just been crowned PC Gamer's Sim Game of the Year 2012. Test your endurance and HGV driver skill sets as you navigate your way through landscapes including the UK, Belgium, Italy, the Netherlands and Poland. Do you have what it takes to enter the world of the long distance HGV driver and deliver your loads on time, every time?

FEATURES

- Transport a vast array of cargo across more than 60 European cities
- Run your own haulage business which will continue to expand even whilst you complete your freight deliveries overseas
